For all military posts: date established <u>Not Applicable</u> .		

**Comments:**

"A Cultural Resources Assessment of the Proposed 318-Acre Scottsmoor VA Cemetery Site", dated April 2012, was completed for the Site. Based on the results of the Assessment, which included fieldwork, a review of related source material, and local interviews, it was determined that the development of the Site would have no effect on significant historical properties, as there are none to affect.
