Did you know?

Family members of a Veteran may also be eligible for a burial allowance for the Veteran, helping you cover burial, funeral, and transportation costs.

Cremation

Cremated remains are treated with the same care, respect, and honors as casketed remains. Depending on the cemetery, VA provides a columbarium niche, in-ground burial of cremated remains with a headstone or marker, or scattering garden options.

Headstones, markers, and medallions

Flat markers in granite, marble, and bronze and upright headstones in granite and marble are available. Bronze niche markers are available to mark columbaria used for interment of cremated remains. The style chosen may be limited by the cemetery. VA can also provide a Veteran medallion that can be attached to private headstones in private cemeteries.
